- Custom powder coated colors available
- 100% made in America

ILLINOIS ENGINEERED PRODUCTS

The Preferred Security Gate Since 1962

Single Gates

Our galvanized steel folding gates are designed to secure dock, receiving, garage and service doorways or hallways and entrances up to 12' wide without sacrificing visibility or air circulation. Gates pivot 180 degrees on their mountings, moving completely out of the opening. Gates can be installed virtually anywhere, including inside or outside door jambs, between posts or bollards, attached to pallet racks, walls and even windows! Installs in less than 30 minutes!
